PROBLEM STATEMENT AND DEFINITIONS

TEAM DETAILS:

Batch No : B6 – 6M2E
College Name : Chennai Institute Of technology
Department : ECE

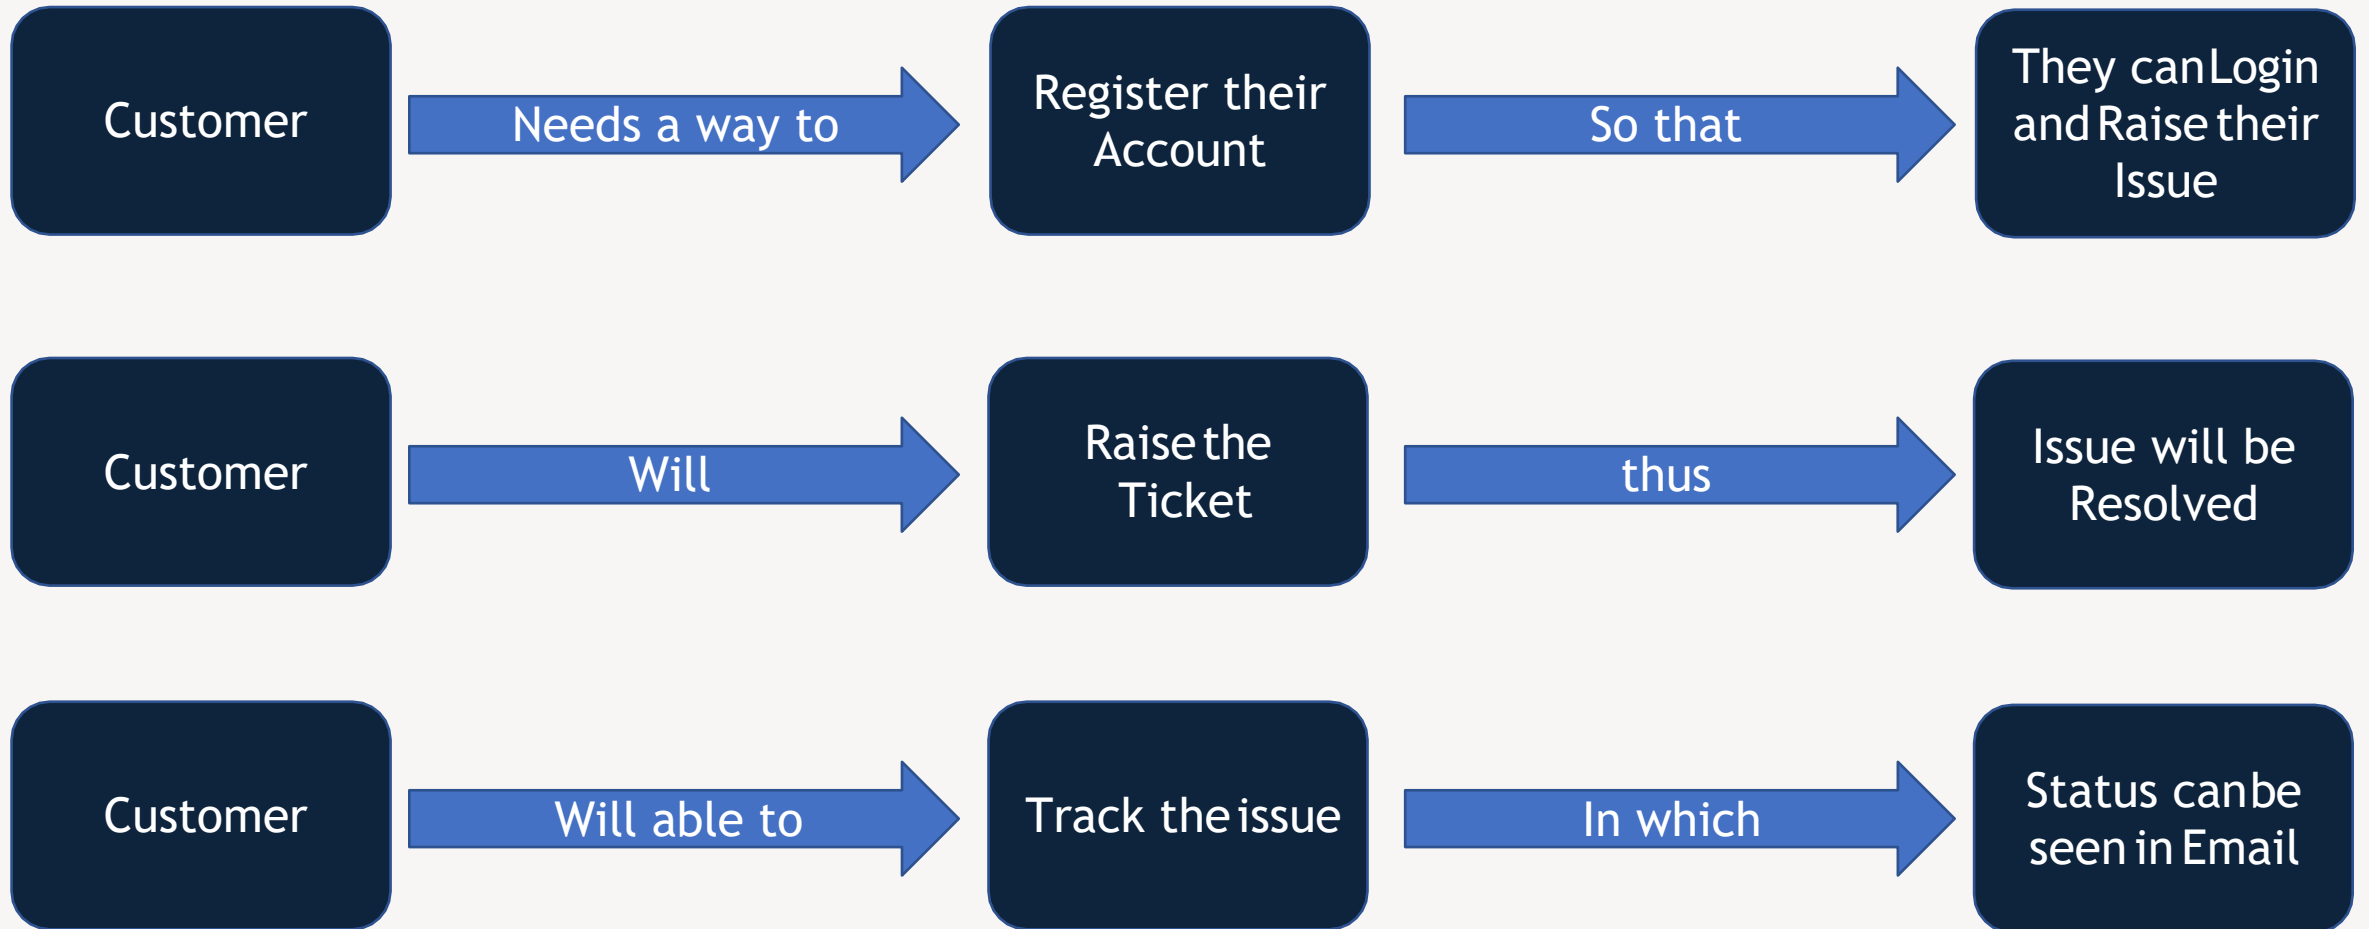

PROBLEM STATEMENT :

A problem statement is a concise description of the problem or issues a project seeks to address. The problem statement identifies the current state, the desired future state and any gaps between the two. A problem statement is an important communication tool that can help ensure everyone working on a project knows what the problem they need to address is and why the project is important.
